

## **DANA HOKANA CLINIC - July 22, 2021**

### **Minnesota State Fairgrounds**

The Minnesota Horse Expo is pleased to host a Dana Hokana clinic at the Minnesota State Fairgrounds on Thursday, July 22, the day before the Expo begins. The clinic will run from 9:00am to approximately 5:00pm in the Compeer Arena.

At this one-day clinic, you will learn about the exciting concept of body control with your horse. You will never excel to the level that you want to excel at without having control of your horse's body. When you have control of your horse's body you have control of their movement, their speed, their rhythm, their head and neck, and their transitions. Teaching body control to your horse will transform you and your horse to a new level. Start this exciting journey with your horse by learning the fundamentals of body control.

**RIDERS:** Rider registration fee for the July 22 clinic is \$450.00. Clinic riders will be invited to participate in the Dana Hokana presentations during the Minnesota Horse Expo (July 23-25). Clinic is limited to 9 riders. Interested clinic applicants should complete and email this form: <http://www.mnhorseexpo.org/pdf/hokanaclinicapp.pdf> Those selected will be notified by email. The \$450.00 payment is due to the MN Horse Expo upon notification that you are accepted into the clinic along with a signed Minnesota Horse Expo stall contract and participant liability waiver form. Clinic payments are non-creditable and non-transferable. Cancellations: If a paid clinic registrant requests a cancellation and a replacement rider is available from the waiting list, the participant will receive a 50% refund of their \$450.00 fee. If there is not an available replacement rider there is no refund to the participant. Hardship requests (horse or medical) would be handled on an individual basis.

Clinic horses may arrive at the Fairgrounds on Wednesday, July 21 and stay through Sunday July 25. One stall per horse (bedding provided) included in the clinic registration fee. A current year negative Coggins is required per State Regulations. Health certificates are required on all out-of-state (except for Wisconsin) horses. It is important that everyone who is riding is present promptly at 9:00am on July 22. Riders are required to stay until the end of the clinic.

Clinic participants will receive one three-day MN Horse Expo admission (July 23-25) wristband.

Liability insurance: Minnesota Horse Expo recommends that all individuals bringing horses to this clinic/Expo carry excess personal liability insurance with limits of at least \$1 million dollars. Equisure offers a policy at reduced cost to members of the MN Horse Council. To learn more or purchase a policy, visit the MHC membership website at [www.mnhorsecouncil.org/membership.php](http://www.mnhorsecouncil.org/membership.php)

**AUDITORS:** A \$40.00 charge for the July 22 clinic day (9:00am to approximately 5:00pm) will include an admission ticket good for any one day of the Minnesota Horse Expo, July 23-25. Auditors are encouraged to reserve their spot by sending an email with names to [kathy@mnhorseexpo.org](mailto:kathy@mnhorseexpo.org). Auditors should enter the Fairgrounds from Como Avenue onto Canfield and park behind the Horse Barn. Parking attendants will provide direction. Starting at 8:00am on July 22, auditors will pay (cash only) at the Compeer Arena bleacher area doors and receive a wristband for the clinic day. A food stand will be available for lunch.

**No other aspect of the Minnesota Horse Expo will be open to the public on Thursday, July 22.**
